

THE UNIVERSITY OF HONG KONG

NON-JUPAS APPLICATION FOR UNDERGRADUATE ADMISSION IN SEPTEMBER 2011 (LATE APPLICATION)

GENERAL INFORMATION AND INSTRUCTIONS

1. The procedures and information in this document apply to those applicants do not require a student visa to study in Hong Kong and wish to be considered on the strength of academic qualifications other than the Hong Kong Advanced Level Examination.
2. Applicants who are currently enrolled in a full-time bachelor's degree programme in a local tertiary institution funded by University Grants Committee (UGC) should also use this form. Please note however that following UGC's guidelines, inter-institutional transfer is normally not accepted, and the University is only able to consider applicants who are applying to programmes which are the same as or similar to the programme of their current studies.
3. Some undergraduate programmes of this University have set aside a fixed number of 2nd year student places for direct admission of Associate Degree or Higher Diploma (*i.e. sub-degree*) graduates. Applicants for those places should apply through the Direct Admissions Scheme and should **not** use this application form. Please visit <<http://www.hku.hk/admission/das.htm>> for details.
4. Current undergraduate students of this University who wish to apply for transfer to another curriculum should write to the Registrar (*c/o the Academic Services Office*). You should **not** use this application form.
5. Applicants applying through this non-JUPAS admissions scheme are **not** allowed to submit a separate application for undergraduate admission in the same academic year via other admissions schemes. Duplicate applications will not be considered by the University and the application fees paid are non-refundable.

Closing Date and Submission of Application

6. The deadline for on-time applications has been passed. We are happy to accept late applications to some of our undergraduate programmes, but because of the very limited places available for late admissions (at most 5% of the student places of each programme), our programmes might only be able to consider those applicants who have exceptional circumstances and / or exceptionally outstanding results. This applies especially if the applications arrive very late. You can apply for admission online or by paper form to programmes which still accept late applications. In case of paper application, the completed application package should be returned by post / in person to:

Academic Services Office
Room G04, Ground Floor,
Run Run Shaw Building
The University of Hong Kong
Pokfulam Road, Hong Kong

Office hours:

Weekdays : 9:00 a.m. - 5:30 p.m.

Saturdays : 9:00 a.m. - 12:30 p.m.

Closed on Sundays, Public Holidays and University Holidays (*i.e.* Christmas Eve, New Year's Eve (p.m.), The day preceding Lunar New Year (p.m.) and Foundation Day (March 16)).

An acknowledgment letter / e-mail will be sent to you normally within two weeks after receipt of your application. If you do not hear from the University after four weeks, please check with the Academic Services Office by phone at (852) 2859 2433 or by e-mail <admissions@hku.hk> regarding your application.

Application Fee

7. All applicants are required to pay an application fee of HK\$500 (*for online application*) or HK\$1000 (*for paper application*) and the fee is non-refundable. Please refer to the "Payment of Application Fee" sheet for details on the payment methods.

Application Form

8. The application form should be completed and submitted as follows:

Part 1 (*Pages 1-4*) To be completed by the applicant.

Part 2 (*Pages 5-6*) Academic Referee's report or reference letter, to be completed by your school principal or teacher, or by an academic referee. The completed confidential report should be returned as soon as possible to the **Academic Services Office, Room G04, Ground Floor, Run Run Shaw Building, The University of Hong Kong, Pokfulam Road, Hong Kong** either directly by the academic referee; or if the principal / teacher / academic referee prefers, it may be placed in an envelope addressed to the University, sealed, and given back to the applicant for him / her to return it to the University with other application documents. Applicants who have already left school or college and cannot obtain an up-to-date report from a school principal or teacher may leave the report blank.

9. You are also required to provide the following supporting documents in the sequence listed below:

Part 3 A photocopy of your HKID card / passport / National identity card / birth certificate. (*For applicants applying on the basis of "mature age", an officially certified copy of the document is required.*)

Part 4 Academic transcript(s) / public examination results in detail, e.g. GCSE, HKCEE, including in the case of GCE AL/AS level, the *Statement of Results* which shows the numerical scores achieved; and the predicted grade / point issued by the school.

Part 5 (*optional*) A summary of not more than two A4-size pages of your extra-curricular activities / personal achievements / working experience, and any other supporting documents.

Photocopy of academic transcript(s) / public examination results / personal identification in the case of mature student is acceptable for preliminary consideration of your application but officially certified documents must be submitted before an offer can be made. Please note that documents once submitted will not be returned, and will be destroyed if the application is unsuccessful.

Choice of Curriculum

10. You should only submit **ONE** application for admission in any one academic year, but in that one application you are permitted to indicate up to 3 choices of curricula. Check the entrance requirements of each Faculty from the *Undergraduate Prospectus 2011-2012* (online at <<http://www.hku.hk/acad/ugp>>) to make sure that you are eligible for the curricula you wish to choose.

Interviews and Results

11. You may be called for an interview or a test at any time after the closing date for application, and you should be prepared to come at very short notice.
12. Under normal circumstances, you will be informed by post of the result of your application as soon as possible and no later than September 9, 2011. If you are offered a place, you must pay a deposit of HK\$10,000 when you accept the offer by the date specified in the letter or the offer will be withdrawn automatically. You are advised to call the Academic Services Office (28592433) if you have not received the result of your application by September 9, 2011. You can also view your application status online at <<http://www.hku.hk/admission/nonjupas.htm>> starting from February 2011.

Composition Fees and Financial Assistance

13. The composition fees for local and non-local students are different. According to the definition laid down by the University Grants Committee, non-local students are persons entering Hong Kong for the purpose of education with a student visa / entry permit issued by the Director of Immigration. The composition fee for the academic year 2010-2011 is HK\$42,100 for local students. The fee for 2011-2012 has yet to be decided pending Government's advice, but we do not expect it to differ significantly from the current fee. For non-local students, the composition fee for the cohort joining the University in 2011-2012 will be HK\$119,000 per year during the period of their undergraduate studies.

14. Students who wish to apply for financial assistance under the Local Student Finance Scheme may submit their application to the Centre of Development and Resources for Students of the University before the specified deadline after being admitted to the University.
15. If you are admitted, you will be considered automatically for the award of University merit scholarships for which you are eligible. Application for University bursaries and loans may be made in September / October 2011 after you have been offered admission.
