### Chinese New Year "Lily Pond" Barbecue 2006

Seventy-six alumni and friends attended the Chinese New Year "Lily Pond" Barbecue on February 5, at the Wrights Watergardens in Auckland. This was their first gathering since the chapter's inauguration in October 2005.

Before the barbecue, held in true Kiwi style on the lawns of the Waterfall Café, the crowd enjoyed a leisurely stroll around the exquisite and photogenic grounds of the Wrights Watergardens. Famous for its water lilies, lotuses and aquatic plants, the Watergardens holds a Lotus Festival each year when the flowers bloom to the size of dinner plates. The barbecue coincided with the Lotus Festival and everyone brought their cameras to capture lilies in full bloom in the picturesque ponds by the Manku waterfall.

## Class of 90s & Friends: From Good To Great, With You & HKU

It has been quite a long time since our paths crossed on the campus of HKU. In the past 10 years or so we have seen many challenges laid down on our pathways to personal growth. We survived the bubble boom, the 1997 handover, the economic downturn, the millennium, SARS, avian flu. We got our first jobs, our first properties, got married, had children and had full lives which kept us busy. And over those years we gradually lost our links with HKU and the precious friends we met there.

As you may know, HKU will celebrate its 100th birthday in 2011. By that time some 10 to 20 years will have passed since we graduated. So what better reason is there for us to get together to share our experiences and revive old friendships!

By connecting the alumni, we believe that we can contribute to the development of our alma mater, and raise the quality education for future generations and the community as a whole. And, at the same time, we can foster our personal growth by building a mutual support system.

"HKU Centenary – a perfect time for Class of 90s & Friends to contribute what we have learnt and experienced at HKU. So we all benefit and grow 'From Good to Great, With You & HKU!'" said Dr Winnie TANG 鄧淑明 (BA 1992; PhD 1999), Convenor of Class of 90s & Friends.

Class of 90s & Friends was formed and our first gathering was successfully held on March 25 to coincide with HKU's 95th anniversary party. More events will be planned for the Class of 90s & Friends. Please visit <http://www.hku.hk/alumnibodies/class90s> for details.

We need your continuous support. Please join Class of 90s & Friends and stay in touch.

## Alumni Sports Day

### University Hall Old Boys

The chill of the morning of January 8, 2006 was soon warmed by some 40 University Hall Old Boys at their Sports Day held at Sandy Bay. A few old-timers, like Dr Leo Ma and Kenneth Sit, demonstrated their superb lacrosse skills alongside the younger generations of alumni. On the football pitch, Trevor Lee, W C Kwok, C M Yan showed they had lost none of their form - or skills - and gave the goalkeeper a hard time. The sight of hockey sticks and balls soon had other alumni enjoying an impromptu knockabout.

The more recent graduates from the 1990s to 2000s teamed up for a formidable alumni football team against Ricci Old Boys.

The teams were led by Tristan Lau (Dodo) and Howard Li Yuen. Cheering on the team were senior alumni Richard Cheung, Omar and Dr Yu Wai-cho. Dr Albert Chau showed where his loyalty lay, giving his unilateral support to U Hall in its 7-2 win over the Riccians. The score spoke for itself.

The match finished at about 1 pm with a friendly War Cry and a rousing cheer for Ricci. After stretching weary muscles, the alumni enjoyed an excellent lunch at the Kiosk at Sandy Bay. Curry beef with rice, Singaporean noodles and soup really hit the spot.
