1. INTENSIVE KOREAN FOR BEGINNERS

The course is open to complete beginners (ab initio) who are interested in learning Korean language and culture. The aim is to provide students with a solid foundation in both spoken and written Korean, and a basic knowledge about Korean culture, which enables the students to take further studies on a higher level of Korean and its culture. Upon completion of the course, students will be able to participate in simple aural and oral communication in daily life, and will have acquired a basic and general knowledge of the written forms of the Korean language.

Furthermore, students enrolled at the beginner level will be encouraged to travel to Korea at the end of the first year to attend a summer language & culture program in a Korean university.
