

Global Citizenship Public Lecture

Security First

Professor Amitai Etzioni

University Professor
Professor of International Relations
The George Washington University

Abstract

In this lecture, Professor Amitai Etzioni asserts that providing basic security must be the first priority in all foreign policy considerations, even ahead of efforts to democratize. He sets out essential guidelines for a foreign policy that builds on moral principles — especially the Primacy of Life — and creates the possibility of establishing positive relationships with Muslim nations and all others.
